RE: Residence Memo

Hello SJU Residents,

We hope this memo finds you well.

As you begin your Thanksgiving weekend and Fall Reading Week, COVID-19 cases in Ontario continue to rise. Whether visiting loved ones or staying in residence, we encourage all residents to be mindful of their actions over the break to ensure we are doing our part to limit the spread of COVID-19.

As you begin your break, we offer some tips to consider to keep yourself and others safe:

- **Tip 1:** Avoid hosting or attending parties or gatherings.

- **Tip 2:** Talk with your friends and family about keeping your bubble small.

- **Tip 3:** Continue to practice safety measures:
  - Wearing a face covering/mask.
  - Keeping physical distance (6 feet or 2 meters).
  - Frequent handwashing and use of hand sanitizer.

- **Tip 4:** Practice self-care to ensure a restful and rejuvenating break.

As a reminder, when you are preparing to return to residence, please be sure to complete the COVID-19 self-assessment to ensure that you are healthy and well enough to return to campus. If you are experiencing illness of any kind, have been exposed to an individual with symptoms or a positive case of COVID-19, please stay home and follow public health protocols until you are feeling well again, and inform our staff: info@sju.ca.

Have a safe and restful break!

Take good care,
- The Student Affairs Residence Office Team
