THE SJU-WATERLOO CONNECTION

BELONG TO A SMALL CAMPUS AT A LARGER UNIVERSITY

Being a dual citizen of both SJU and Waterloo means that our 600 full- and part-time students regularly take courses at the University of Waterloo and have opted for a more intimate overall experience where they can enjoy SJU's smaller class sizes and comfortable community environment located at the heart of the large main campus.

For over 150 years, St. Jerome's University has proudly offered the best possible liberal arts education. Our agreement with the University of Waterloo, dating from 1960, shortly after Waterloo was established, means that we grant degrees through our world-renowned partner, providing you with an experience that truly encompasses the best of both worlds.

GRADS at WORK

"I landed a full-time job before crossing the stage at convocation, and that's because I was learning both in and outside of the classroom. At St. Jerome's, I got the opportunity to develop essential soft skills through student leadership roles, professional development, community building, and on-campus jobs."

*Paula, BA'17 Honours Arts and Business, Speech Communication
Communications & Website Coordinator, York University, Faculty of Liberal Arts and Professional Studies*

CLOSE TO THE ACTION

A two-to-10 minute walk will get you from SJU to anywhere on Waterloo's main campus.

CO-REGISTRATION = ADDED VALUE

If you are an Honours Arts or Honours Arts and Business student, you can apply to co-register at any time, whether you are an applicant, admitted, or accepted student. When you co-register with St. Jerome's, you'll still be a Waterloo student – with all the additional benefits you'll find at SJU! [sju.ca/coregister](https://www.sju.ca/coregister)

WHAT'S THE CATCH?

There isn't one! Whichever faculty you're in or wherever you live, if you are a co-registered student and/or a resident at SJU, you'll have full membership in two worlds - double the perks!

40
COURSES IN TOTAL

MAJOR COURSES

MAJOR

As your main area of focus, your major requires 16 courses and counts toward the 40 courses. You will need to choose at least one honours major. Some students decide to do two in a “double major.” See a list of our 23+ majors on page 8.

TOPIC SPECIALIZATION

These are four to six courses within a major that allow you to concentrate on an area you are most interested in.

INTENSIVE SPECIALIZATION

Some majors offer an intensive specialization. This is four to six courses, in addition to the 16 in your major, that give you more in-depth knowledge in a particular area and better prepare you for further studies in graduate or professional school.

REMAINING COURSES

The number of courses you’ll have for a minor or electives depends on how many of your business, major, and breadth courses overlap.

MINOR

Requires eight courses in one subject area and counts towards your 40 courses. Some students choose to do one to two minors, in addition to a major, in order to add to their areas of knowledge and expertise. Pursuing a minor is optional. All majors listed are available as minors.

ELECTIVES

Courses you explore as part of your 40 degree courses that are not a part of a major or minor.

BREADTH REQUIREMENTS

Ten required courses that ensure the breadth of your education. Depending on the subjects you choose to study, these courses may also count towards your major or minor.

ONLY AT SJU

The Sexuality, Marriage, and Family Studies major, the Italian Studies minor, and the Human Sciences minor are open to all Waterloo students, but we teach the classes exclusively at SJU.
