

To be considered for a scholarship, you must:

- Be a student in good or excellent standing
- Have a minimum cumulative average of 75.0%
- Be in a full-time course load (3 or more courses) in the term that you are applying.

Many of our scholarships are for students that demonstrate financial need. Usually, OSAP-eligibility (applied for or eligible to receive funding from OSAP) is a satisfactory indication of financial need. Applying for OSAP can make you eligible for these scholarships, regardless of funds received.
