

**ST. JEROME'S  
UNIVERSITY**

## **Expressions of Interest for the Position of Chancellor, St. Jerome's University**

St. Jerome's University is seeking a new Chancellor to commence a four-year term beginning July 1<sup>st</sup>, 2019. The Chancellor is the titular head of the University and is an advocate for the University's interests within the local, provincial, national, and international arenas.

Founded in 1865, St. Jerome's University ([www.sju.ca](http://www.sju.ca)) is a public Roman Catholic university federated with the University of Waterloo. As a preeminent Catholic university, we offer an educational experience rooted in our mission and the gospel values of love, truth, and justice. We create a student experience where acquired wisdom resides not only in reasoning and intellect, but in the depth of one's whole being – heart and soul. Our goal is to steward our students' unique talents, nurture their ability to think critically, and inspire them to become life-long learners who will seek knowledge and truth, act with compassion, and lead by example to build a better society.

We are a small university with big aspirations. Our students are ambitious and passionate about learning and social justice, our faculty strive for excellence and win prestigious awards, and our alumni are leaders who reflect our mission locally and globally.

We are looking for a Chancellor who shares our ambition, demonstrates a record of excellence in their career, provides service to the community that reflects our vision of Catholic education, and has the reputation and experience to help advance the mission of the University.

The University respects, appreciates, and encourages diversity. Applications from all qualified individuals are encouraged. Applications must include a letter of introduction that highlights the reasons for your interest in this role, an up-to-date résumé, a pastoral reference, and two other letters of reference. To request more information about this volunteer role, to seek accommodation, or to submit an application, please contact Ms. Kierra Cali ([kcali@uwaterloo.ca](mailto:kcali@uwaterloo.ca)), administrative support to the Board of Governors.

Consideration of applications by the Board of Governors' Executive Committee will commence January 2019. We will invite prospective candidates for an interview with the Executive Committee beginning February 2019.
